A fully-functioning first-aid kit is critical in numerous emergency situations. Imagine a worst-case scenario when you require your first aid kit and you find yours is wet or damaged! This is an avoidable situation thanks to the new NANUK 903 Waterproof First Aid Case. It will keep your first aid kit (sold separately) safe and dry in a case that has been engineered and manufactured to stringent military specifications and to surpass the needs of the most demanding users. The NANUK 903 is virtually indestructible, lightweight, watertight and features our patented PowerClaw latching system. Don't wait until it is too late. Put your first aid kit inside a NANUK 903 First Aid Case and regain your peace of mind. Great for boats, cars, SUVs, first responders, rescue team, ambulance, police, fire, military, camping, businesses, schools, construction vehicles, emergency and disaster preparedness, and more.
